REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The tradition of excellence that was established when Whitesides opened in 1956 continues today. Through the collaborative efforts of a highly qualified professional staff, devoted parents, and a supportive community, Whitesides' students thrive. Students in grades K-5 participate in the Measures of Academic Progress (MAP) and assessments to determine growth, identify goals for student achievement and guide instructional priorities and interventions. The SAIL Program for gifted and talented students in grades three through five provides opportunities for student acceleration as does Renzulli, Study Island and Renaissance programs in reading and math. Brain Boosters provides a pre-Sail experience for all second graders.

Child development program expansion enables us to serve more four-year-old children in a school setting. AimsWeb assessments and Primary MAP are conducted in grades K-1 to monitor student progress and fluency in literacy, and to guide instructional decisions and groupings. Additional literacy support is provided to first and second grade students in need of literacy assistance through our Literacy Academy. Spanish instruction is provided for kindergarten and first grade students.

Volunteers are present on a daily basis and make significant contributions to the support of classrooms and school functions. Our PTA coordinates many functions throughout the year. We engage families through game night, No TV week, book character day, spirit days at local restaurants, grade-level plays, concerts, and grade-level initiatives. A variety show and semiannual choral concerts accentuate student talent. Chorus is offered in fourth and fifth grades as well as strings in grade five. Local opportunities for student recognition are numerous. Our student council provides opportunities for service learning and works closely with advisors and the community on recycling and environmental projects. Students have responsibility for our school newspaper, and Whitesides' students have earned recognition throughout the year for their involvement in local, regional, and state events. For fifteen consecutive years, Whitesides has been applauded for our involvement in the Community of Readers.

Whitesides earned an Excellent "Absolute" achievement rating and an Excellent "Growth" rating on the state report card for 2011 as well as was named a Palmetto Gold Award recipient. We missed making AYP in the area of math within the subgroup of African American students, and we have implemented additional instructional interventions to close this achievement gap.

Our instructional programs are delivered by a professional staff that is truly devoted to children. Grants, the PTA, local businesses and community support have enriched classroom instruction by providing swimming lessons for kindergarten and grade-level field trips that allow students to experience and apply concepts learned at school.
