**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

Opening a new school is one of the busiest, most fulfilling experiences that a community can share. It has been a wonderful, world-wind tour complete with shared leadership, shared responsibility, and shared accountability for all aspects of our school life! The operative word at JPES for this year has been TEAMWORK, and we made it through many JPES "firsts"...TOGETHER! We have worked hard to ensure that we have well defined, well designed, and well deployed processes in place that will help our school run like a well-oiled machine. Administrators, teachers, support staff, business partners, parents, and students have worked above and beyond the call of duty to set the pace for what has proven to be a banner school year, and the best is yet to come! Teamwork is alive and well at JPES. With active participation, clearly established procedures, and unwavering commitment to student learning, we are certain to make great strides. We believe that our work is more than a job, not everyone can do it, and no one can do it alone.

Our Children opened the school year with a summer "Road Trip to JPES" to use real voting machines and cast their votes for the things that would help us build our school climate and a culture of mutual respect. We have created a place where all stakeholders, including the children, are committed to excellence. As a result, we are the Explorers. "Trotter" is our mascot who sets the pace for our children to explore...discover...and learn all they can about the world around them. He reminds us that Explorers are brave people who find new paths to make our world a better place. Our character education plan is based on the PBIS, and our "STEER Your Way to Excellence" process. The children have worked diligently to live by the STEER CHEER and make our school a great place to learn. They open each day chanting, "I'm an Explorer at JPES. These actions will steer me to be my best. Safety first, Teamwork next, Eager to learn, Expect the best, Responsibility leads to Respect! Safety, Teamwork, Eager, Expect, Responsibility, and Respect!!"

JPES began the journey this year to become a great school. Our vision is to create a world class Quality Academy School that promotes seamless integration of the arts and sciences. Our Mission: Joseph R. Pye Elementary keeps the needs of all children and their learning first by preparing today's learners to be tomorrow's leaders. Our goals for the 2011-2012 school year have been 1) To build RELATIONSHIPS in a positive school climate and a culture of mutual respect. 2) To promote RIGOR for all students and, 3) To ensure RELEVANCE in teaching and student learning. For next year, we want to focus on making the home-school partnership an EXCEPTIONAL strength at Pye. Commitment to the best possible experiences for our children on the part of parents, students, and staff is the key to our success as a new school community. It is our hope that ALL parents and ALL community partners will help us with this commitment to excellence on behalf of ALL children. The journey begins here!
