REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Duncan Chapel's state of the art facility provides increased opportunities for students to integrate technology, the arts and literature into stimulating learning experiences. As a result of our continued Title I status, Duncan Chapel is able to sustain lower student-teacher ratios in multiple grade levels, provide additional support for students in math and reading through the RTI program, hire an additional instructional coach for the primary grades, and provide much needed technology and instructional supplies that directly benefit our students. Title I funding also provides professional development for the teaching staff, and many opportunities for parents to receive training and to be more involved in the experience of public education. Additionally, Title I funding provides a bilingual parent involvement coordinator to better bridge the relationship between home and school. Our School-Wide accomplishments include the following: Implementation of Baldrige model for Quality students Recognized as a 2012 Safe Kids School by the Greenville Children's Hospital Reading Intervention Teachers in Grades K5-3rd After School Tutorial program by Communities in Schools Fifth grade teacher Amanda Sopko was named as Second Runner-Up in the district's Teacher of the Year Award Program. Brian Morgan, art teacher has been named as a Top Ten finalist for the 2012-13 district's Teacher of the Year. Duncan Chapel partnered with First Baptist Church, Greenville to implement the Mission Backpack weekend food bag program. Our school leadership team developed goals, objectives and strategies for our students for 2012-13. Two desired results for student learning are to increase student's achievement in the area of math and Language Arts.
