REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westcliffe Elementary is in the Berea area of Greenville County. We have the privilege of serving students from four year old kindergarten through fifth grade. All staff members are Highly Qualified (HQ) and dedicated to daily serving all students. Instruction at Westcliffe Elementary is data driven. Teachers use grade level benchmark assessments as well as teacher made common assessments, checklists, reading and math grade level tests and theme tests for reading to help meet the needs of all children. We also use a program called Response to Intervention (RTi) as another source of assessment for students in kindergarten through third grade. MAP (Measures of Academic Progress), a computer test for all subjects, was another assessment used in second through fifth grades. Westcliffe teachers use technology to help enhance learning for all students throughout the school on a daily basis. Title I provided parents many opportunities to attend workshops that would help them provide their children help with things such as homework, math, reading, or test taking skills. Parents of first and second graders were able to attend monthly workshops with teachers to learn games to help children with reading or math. Other opportunities for parents to be involved were our PTA Meetings, the Math Pirate Night, the Book Fairs, and our Reading Night. This past year, Westcliffe Elementary was honored to receive a Palmetto 2011-12 Silver Award and a Safe School Award. Our Westcliffe Motto: "Westcliffe Wildcats Are Wild About Learning" helps to keep us focused on the fact that learning is our top priority and of our commitment to these children each day because after all, "Westcliffe Wildcats Cannot Hide That Westcliffe Pride."
