REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Springfield Elementary School is a school committed to preparing every student for tomorrow's world. Our students are at the forefront of all of our decisions. During this year, Ms. Abby Cantrell was selected as our Teacher of the Year. We received the Palmetto Silver Award for academic achievement. We continued our implementation of PBIS this year. It has proven to be successful in many ways. Our discipline has drastically decreased and our students are excited about receiving recognition for demonstrating the expectations. We were recognized as a South Carolina PBIS ribbon and banner school.

Our school could not be as successful without the many parent and community volunteers. These volunteers are active in the day to day school events as well as those events held after hours, which include Academic Nights, Books and Breakfast, Grandparent's Day, Food Lion Math Night, PTO, Kiwanis Club Terrific Kid, Field Day, Veteran's Day program, and many more. Our students benefit greatly from these partnerships.

Our teachers use technology throughout the curriculum. This year we implemented a variety of new programs that are tied to technology. Compass Learning, Accelerated Math, and Accelerated Reader are just a few of the new programs we have added to our curriculum. We know that these programs will continue to enhance our student learning. We will continue with professional development in this area in order to grow with the ever changing technology.

The faculty and staff of Springfield are motivated and determined to meet the needs of all students. We continue to research and participate in professional development so that we can engage our students in meaningful instruction. We want to motivate each of our students to do their best and meet their goals.
