REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Waccamaw Elementary is a school dedicated to providing opportunities that challenge students in the areas of academic, personal, physical, and social development. Evidence of accomplishing this came when the South Carolina Department of Education awarded Waccamaw Elementary the Silver Award for general performance and the Silver Award for making substantial growth last school year. Driven by the Common Core Standards, our staff provides a rigorous curriculum in all subject areas. In order to maximize classroom instructional time, staff members take advantage of professional development conferences and trainings throughout the year. This year, our staff will be participating in professional development on the Common Core Standards that are being implemented this year. Instructional programs offered to the students provide opportunities for acceleration, remediation, and enrichment. This includes a new Digital Arts class, Reading Recovery, intervention teachers targeting specific areas of need, and partnerships with businesses such as Tanger Outlets, Dollar General, Wal-Mart and other area merchants. Also, Waccamaw Elementary partners with Coastal Carolina University to provide mentor support, parenting classes and one-one- instructional support from the CCU students. Our desire is to work closely with all members of the school's community. We have accomplished this through our mentoring program with Coastal Carolina University (CCU), parent volunteers, community volunteers, and local service clubs such as the Rotary and Kiwanis. Several parent literacy meetings were held, in collaboration with CCU, to help parents understand how to best support their child's reading progress. Our parent leadership team sponsored activities throughout the year such as Fall Fest, Talent Show, Bingo for Books, and Minute to Win It Night. During each year, the staff strives to improve instruction and maximize on the potential of every individual student. To accomplish this, new goals have been established and innovative strategies are being implemented. We are committed to promoting a school environment conducive to learning, laughing, and growing together. This can be accomplished through the continued support and input from our parents, staff, students and community. It is also supported by being a PBIS school (Positive Behavior Intervention Support). Students are rewarded daily, weekly, monthly and yearly for their positive behavior in following our High 5s; Be Responsible, Be Respectful, Be Your Best, Be Honest and Be Safe. Waccamaw Elementary is a great place to learn and grow. Thank you for trusting us to educate your child to be the best that he/she can be!
