Percent satisfied with social and physical environment	97.1%	81.7%	96.9%
Percent satisfied with school-home relations	97.0%	91.4%	88.7%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Blaney Elementary School continues to be a school Building and Enhancing Success. We recognize that success is measured in different ways for different students. The staff and parents have joined together to provide a safe and secure learning environment for each student. Students receive quality instruction based on the South Carolina standards. Teachers utilize a variety of strategies to implement the standards, including but not limited to, learning styles, differentiated instruction, Bloom's Taxonomy, technology (iPADS, interactive white boards, video, Accelerated Reader, A+ learning and projects.) Each nine weeks, an Academic Achievement Assembly was held where students were recognized for attendance, honor roll and other academic achievements. In addition to the academic component, we have the arts, health/fitness and community service. Our fourth and fifth grade classes presented performances of musicals (I Need a Christmas Vacation, Now and A Kid's Life) to students, staff and community. Students in fourth and fifth grade s were selected to be in the Blaney Chorus. The chorus performed at a district wide arts festival in March. Over 50 students participated in the art club and five students had their work displayed at the Fine Arts Center of Camden and at the district wide arts festival in March. A fifth grade teacher began a running club for girls and in one month the club expanded to 2nd, 3rd and 4th grades and a boy's running club in 4th and 5th grade was sponsored by a community member. The Wildcat Archery Team went on to claim the State title for the second year in a row and competed in Orlando, Florida, at National Archery in Schools Program World Competition and in Louisville, Kentucky for National Archery in Schools Nationals Competition. Two of the archers scored in the top 150 at Nationals, competing against thousands of students. Our preschool disabilities classes participated in Kershaw County Special Olympics for the third year. The school guidance counselor kicked off "Service Quest" project in which students earned letters for each service learning project they participated in throughout the year. Over 250 students earned the required seven letters to participate the celebration in May. Students and staff contributed to the American Red Cross. Students participated in the Million Penny Challenge and staff and parents participated in the Third Annual Blood drive where over 80 pints of blood were collected. Building and Enhancing Success comes in different forms for different students. Our hope is that by investing in making well rounded children we have helped those children find their niche in life where they know joy, accomplishment and success. At Blaney Elementary School, we celebrate and support any and all successes.

In Devoted Service, Lisa M. Carter, Principal □
Jeremie Eastin, SIC Chairperson
