REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brooklyn Springs Elementary School celebrated a year of reading with our "Reading is a Thrill" theme. Weekly activities, curriculum-based field trips, and everyday instruction centered around this theme. Students and teachers received daily incentives for completing reading goals. The faculty and staff of Brooklyn Springs are indeed a Professional Learning Community. Throughout the school year we have continued to focus on the value of team collaboration among stakeholders and its impact on improving student achievement. Teachers met weekly to discuss and analyze student work. The benefit of this is evident in classroom instruction. Small group and individualized instruction was more often used during delivery of instruction. Teachers focused on individual student needs in differentiating instruction according to how students are performing. A variety of programs are offered to meet the needs of all students. SRA's Open Court Reading program continued to be the foundation of our English Language Arts instruction. In addition to the core program, the 100 Book Challenge, from the American Reading Program is used. It is an instructional system used school-wide that puts individual children and their reading lives at the center of the curriculum. This reading program ensures every student completes 45 minutes of structured independent reading daily in school and 30 minutes of independent reading daily at home. Everyday Math is the foundation of our math instruction. Teachers use a variety of math manipulatives and computer games to supplement the core math program. SMART Boards are used in all classrooms by both teachers and students. Home-School relationships continue to be a priority for us at Brooklyn Springs. Our full-time parent coordinator continues to serve as a liaison between the home and the school. Parents volunteer in a variety of ways during the school day. The SIC and PTO work collaboratively with our school in many ways. PTO fundraisers have provided a wealth of additional classroom resources for teachers. The faculty and students of Brooklyn Springs received several awards and certificates: Seven fifth graders received Presidential Academic Awards; Four fifth graders received Presidential Citizen Awareness Awards; Six fifth graders received the Duke Scholar Award. Several teachers were awarded J. Marion Sims Teacher Pet Grants. Our students, teachers, parents, business partners, and community members continue to enrich our school in many ways as we strive to encourage lifelong learning.
