REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Over the course of the 2011-2012 school year, Clinton Elementary School has remained dedicated in its charge to support all learners and foster continued growth in academic achievement. Data driven decision-making, through the utilization of Measures of Academic Progress (MAP) data, Dominie Reading assessments, and formative assessments by teachers, has continued to improve our efforts to meet the individual learning needs of our students. Use of various forms of feedback has provided opportunities for deeper understanding of student growth and the incorporation of multiple instructional strategies. Participation and commitment to the SC Teacher Advancement Program (TAP) enhanced teacher instructional strategies and practices across the curriculum from core academics to the arts. Clinton Elementary School received the 2011 TAP Ambassador Award given at the National Institute for Excellence in Teaching conference in Los Angeles, California. Common Core State Standards studies have also been implemented within the school and across our district.

The arts programs at Clinton Elementary were planned in conjunction with core academic standards to support our high academic achievement goals. Many students also participated throughout the year in special area programs designed to enrich learning experiences: Art Club, Drum Corps, and Honors Choir. Through the use of technology, students have been offered a wide range of learning experiences to better prepare them for twenty-first century life outside of the classroom. Classrooms equipped with LCD projectors, interactive whiteboards, document cameras and laptops have provided a vast number of learning opportunities for students at Clinton Elementary. Another priority at Clinton Elementary School has been the inclusion of character development programs and activities. The "Bee" Your Best program has provided opportunities for students to receive acknowledgement for displaying positive character traits. Students have also been provided classroom guidance on topics such as community building, friendships, careers and bullying. The school community has also supported and contributed to area and national service organizations such as the American Red Cross, United Ministries, United Way, March of Dimes, American Cancer Society and the Leukemia Society.

Most importantly, Clinton Elementary School has been fortunate to have outstanding support from the parents, PTO, SIC and other community agencies that also believe in achieving excellence, embracing change, and forging new traditions.
