Percent satisfied with school-home relations	85.1%	82.4%	83.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of McColl Elementary/Middle School is to educate and enable all students to achieve their highest potential. Our vision is to partner with families, businesses, and communities to develop the next generation of responsible citizens, lifelong learners, and global leaders. We are guided by seven beliefs: 1. All Children can learn given opportunities that maximize their learning potential. 2. All students, parents, and staff will treat each other with respect. 3. Continuous, high-quality professional development is essential to teaching and learning. 4. A rigorous curriculum is vital to effectively develop students with critical thinking, problem solving, and real world skills. 5. A safe and orderly environment will provide diverse learning opportunities for all students. 6. A highly skilled and dedicated staff will produce responsible citizens and life-long learners. 7. All stake holders are important for the success of all students. McColl School serves through an extended school year calendar, approximately 825 students in grades Pre-K through eight, with a certified staff of 54 and 29 support personnel. Instruction is the focus of McColl School. Through a data driven program, emphasis on a core curriculum, best practices, interventions, 21st century technology, and engaged students, everyone has the opportunity to succeed. New practices include implementing the Response to Intervention (RTI) model to identify strategies for student success, the Positive Behavior Intervention System (PBIS) to reward students for academic success and positive social behavior, and Professional Learning Communities (PLC) for teacher collaboration and planning. Student Involvement is a priority of McColl School. One student was recognized as the school, district, and regional spelling bee winner. Three students were identified in the Duke University Talent Identification Program (TIP). A Student Council was also established to provide student input into the school program. A strong Parent Involvement Program provides support for the community and the school. It is our goal to make parents feel welcome and to receive training to help their children succeed. McColl School received accreditation by AdvancEd. We continue to meet State Department instructional standards and received a rating of "all clear" for 2011-12.

Macky Norton, Principal
 Danielle Turner, School Improvement Council Chairperson
