** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	46	119	70
Percent satisfied with learning environment	97.8%	89.1%	91.0%
Percent satisfied with social and physical environment	95.7%	89.1%	89.9%
Percent satisfied with school-home relations	87.0%	91.6%	87.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

West End Elementary School serves a diverse population of around 750 students in K4 through fifth grade. The school's vision statement is "Learning Today, Leading Tomorrow." Parents, teachers, and staff strive to work together as a team to provide a well-rounded program for all students. The PTA, SIC, and business partners are supportive of the vision of the school. Parents participate in school activities by volunteering, and by attending conferences, school events, and parent workshops. West End is in its second year as a Title I School-Wide Model School. The school's Title I Plan includes personnel to lower class size, instructional materials and supplies to address weaknesses in math and reading, and professional development opportunities to assist teachers as they endeavor to continuously improve instruction. Parent workshops are scheduled to assist parents as they work with their children academically and behaviorally. West End is also in its second year of participation in The South Carolina System for Teacher and Student Advancement (SC TAP). The TAP system provides ongoing professional development for all teachers. Each teacher participates in a professional learning community that meets weekly during the school day. These professional learning communities analyze data and implement strategies to target student strengths and weaknesses in order to raise student achievement for each student. Teachers work together to plan instruction based on the South Carolina Curriculum Standards. The results of PASS (Palmetto Assessment of State Standards), MAP (Measures of Academic Progress), and classroom assessments are analyzed to determine instructional strengths and weaknesses and develop strategies to remediate and accelerate students. West End continues to implement the SDPC Literacy Model and a school-wide positive behavior program. Small group reading instruction and the Write from the Beginning Program are beneficial to differentiate instruction based on students' needs. The use of a positive behavior system reduces office referrals and has given an encouraging boost to the overall school climate. During 2011-12, various enrichment programs were available for students including a Title I Summer School, a volunteer reading buddy program, and mentoring programs for boys and girls. Students participate in the Accelerated Reader Program, recycling team, safety patrol, the Jet Toy Challenge, the Young Writer's Conference, a music festival, a math field day, local art shows, a variety show (talent showcase), field trips, service learning projects, honors chorus, and summer reading challenge. Students are recognized for special achievements through quarterly and annual awards programs, MAP recognition, attendance incentives, PBIS ticket exchange, and character kids of the month.

David Waddington, SIC Chairperson and Angie Rodgers, Principal
