REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rosewood Elementary School, in its eighty-seventh year, is one of Columbia's most diverse and high-achieving schools. While approximately forty percent of our students qualify for free or reduced lunch, our school has one of the largest percentages of Advanced Academic Placement (AAP) students in the district.

Over the years, our students have performed well on state testing. For the 2001 and 2002 school years, Rosewood was awarded the Palmetto Silver Award for student improvement on state testing. For 2005, 2006, 2007, and 2008, Rosewood received "Good" ratings on the state report card. In 2009, 2010, and 2011, Rosewood received Palmetto Gold Awards for "Excellent" achievement ratings.

To promote student achievement and literacy, Rosewood utilizes the BreakThrough to Literacy Program in kindergarten to teach reading skills. The Accelerated Reader Program incorporates self-selected reading, computerized assessments, individual reading goals, and incentives for students. An after-school remedial program for students scoring "Not Met" on PASS in ELA or Math is offered to provide additional academic assistance. Third through fifth grade students may be eligible to participate in academically advanced classes in reading and math.

Programs and curriculum focused on peaceful conflict resolution and increased awareness of positive character traits that enhance our sense of community are offered to our students. Each month students from all grades are recognized for displaying positive character traits. Fifth grade students selected to serve on our safety patrol have the opportunity to promote a safe and friendly school environment by assisting parents and students in the morning and afternoon. Community service is promoted throughout the school with each grade level sponsoring service projects to benefit others. School wide projects this year included the Rosewood Green Team, participation in Nike Re-Use A Shoe Program and National Crayon Recycle Program, weekly recycling, collecting bags and canned items for Harvest Hope, donations to Animal Missions, and Jump Rope for Hearts. Our conservation and recycling efforts have led to recognition as an environmentally friendly Earth Flag school.

Our school is fortunate to have many parents who volunteer and participate in their child's education. With support from families and our community, the PTO held the second annual Rosewood Elementary 5-K and kids' fun run. Local businesses and our neighborhood associations also donated generously to our school. Parent volunteers supported many activities for our students such as International Walk to School Day, Science Day, Spring Picnic, and Rosewood Readers. Active participation from parents, community members, business partners, our educational foundation, SIC, and PTO all support our efforts to enhance school climate, increase student achievement, and promote literacy.

LaJuanya Jones, Chairperson, School Improvement Council
Elizabeth Williams, Principal, Rosewood Elementary
