REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

H. B. Rhame, Jr. Elementary School maintained progress during the 2011-2012 school year in grades 3 through 5.

One hundred percent of the teachers at H. B. Rhame Elementary have achieved a technology level of proficient or higher. The school used teleconference equipment so that students could interact with others around South Carolina, the United States and the world.

Test results indicated a need to continue additional efforts to improve language arts and math skills with special emphasis in the 4th and 5th grade. We have a 30-week Skill Development Program and a SuccessMaker Lab to reinforce skills taught in both language arts and math. In addition, we have a reading and math interventionist who work with small groups of students to support their regular instruction. These skills are also emphasized in our After-School Academic Support Program along with science and social studies. We also have a half-time tutor who works with our students one-on-one to develop their math and reading skills. Maintaining a competent certified staff will continue to move larger percentages of students to scores of basic or above on PASS.

We continued Breakthrough to Literacy in kindergarten and first grade to develop the skills and knowledge our young learners need to become competent readers. Accelerated Reader was used in grades K-5. Reading Buddies from Saint Andrews Baptist Church, Virginia Wingard Methodist Church and Saint Andrews Middle School read to students weekly. North Trenholm Methodist Church and Saint Andrews Lutheran Church helped to beautify our outdoor gardens.

We continued a Behavior Intervention Program for students who need help in improving social skills. We have continued to strengthen our Character Education program by developing a school-wide focus on a different character trait each month.

Community involvement is a great asset to our school. Our volunteers enjoy programs such as Books and Breakfast, Grandparent's Day, and Sonic Night. In addition to our strong volunteer program, we have two Lunch Buddy programs and two Kids' Café Programs.

The most challenging issue facing our school continues to be the high mobility rate of our students and their lack of social development skills. We are working with parents to increase the reinforcement of skills at home to sustain progress in student achievement. Parent participation in some school activities has increased this year.
