REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brockman Elementary is a Montessori School of Choice that receives students from three attendance areas of Richland County School District One – Brennen, Bradley, and Satchel Ford. A lottery process is used to select students. The basic tenet of Montessori education is that a child learns best in an enriched, supportive environment through exploration, discovery and creativity with the guidance and encouragement of a trained and caring teacher.

The goal of Brockman is to help each individual child reach their fullest potential in all areas of life. The qualities of independence, self-motivation, creativity, leadership and cooperation are foundational to our program. The curriculum and the environment empower children, ignite their creativity, and build a strong sense of self, allowing them to enjoy the process of learning and the excitement of accomplishment. The development of social skills, emotional growth, and physical coordination as well as cognitive preparation is promoted across the curriculum.

Brockman continues a tradition of academic excellence receiving Palmetto Gold recognition and meeting the criteria for Adequate Yearly Progress. All staff members are highly qualified and all classroom teachers are Montessori endorsed. Students continue to excel academically exceeding student achievement goals in writing, ELA, math, science, and social studies. Literacy continues to be a focus at Brockman. Reading and writing is integrated across the curriculum.

Brockman's related arts classes, wellness initiatives, and service projects embrace and support the education of the whole child. After-school arts programs provide opportunities for students to enhance their skills in the fine arts. An after school running club promotes wellness and healthy lifestyles. Over three-fourths of Brockman's students participate in after-school activities. Students also receive additional support in our BEARS Aftercare. A variety of activities are provided that include tutoring, science, technology, art, recycling, and cooking. Students in the aftercare also participate in other clubs, as well.

This year a school-wide environmental awareness initiative was begun. Emphasis on reducing, reusing, and recycling was supported by the entire school family. Each class recycled and reused. A "Green Team" planned an Environmental Awareness Day, Earth Day activities, and the school participated in the Great American Cleanup.

Service learning is an integral part of the Montessori learning experience. Brockman supported Harvest Hope Food Bank, St. Lawrence Place, Pets Inc., and Wells of Love. Students held bake sales and sold notecards and bookmarks that they had made. Over \$2500.00 was collected for Wells of Love from the sale of notecards and bookmarks.

Brockman continues to be committed to excellence, leaving NO CHILD BEHIND!

Scott Verzyl, SIC
Lynn B. Robertson, Principal
