REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year was a great year for Jesse S. Bobo Elementary School. Faculty and staff remained steadfast in researching and incorporating effective practices for fostering growth in all students. Our faculty is committed to providing all children with every opportunity for higher academic achievement. The 2011-2012 school year commenced with the report that our school had met all performance objectives required for Adequate Yearly Progress (AYP). Although our school achieved AYP, we continue to be dedicated to professional development opportunities for teachers. We are better able to meet our students' needs due to analyzing PASS, MAP, DIBELS scores and classroom grading systems, thus determining areas of deficiencies of our students. Early Bird passes to the computer lab, the Media Center, Thinking Skills games, and physical activities in the gym provided our students with early morning exercise for the brain and body. Students, faculty, staff, and school family members also participated in a variety of service learning activities which included the American Heart Association (Jump Rope for Heart), American Cancer Society (Relay for Life), and the United Way. As we approach the 2012-2013 school year, Jesse S. Bobo Elementary School will continue to ensure that our students are provided a rigorous curriculum that will enable all students to "Soar to Success."
