**Report of Principal and School Improvement Council**

Blackville-Hilda High School is educating students who are competent, responsible individuals with the unlimited capacity to ascertain and meet the challenges of today's high-tech, data driven society. We are achieving this goal by teaching at higher levels through structured, relevant, and challenging academic experiences.

During the 2011-2012 school year, Blackville-Hilda high School was in its third year of the High Schools That Work Initiative, and we continued the development of a rigorous academic and career/technical program of study while expanding the culture of high expectations for all students. Some of the ways we accomplished this included: utilizing data to drive instruction, curriculum and assessment, restructuring the Advisement period to focus on student's most critical areas of academic need, and the use of the leadership/focus teams to assist with the curriculum and instructional practices necessary to advance student growth.

The Freshman Academy was successfully implemented in 2009 and has been sustained to assist in the successful transition of students into high school for their first year. Through this initiative additional materials, technology and support were provided to enhance and supplement instruction while increasing student exposure to content material.

Among the many accomplishments during the 2011-2012 for Blackville-Hilda High School, I am proud to list the following: Palmetto Gold Award, 83% first time passing on HSAP Mathematics, 78% first time passing on HSAP ELA and 1 million dollars in scholarships for the Class of 2012. Although we are making great strides, BHHS continues to have challenges and opportunities in seemingly equal measure. However, the administration, staff, and students – with the aid of the district office, community and all other stakeholders – will take full advantage of every opportunity and exceed the challenges so that our students will seek "Excellence by Choice, not by Chance."

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>62.9</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

**Accountability Indicator for Title I Schools**

Blackville Hilda High School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
