## Report of Principal and School Improvement Council

Eau Claire High School offers a comprehensive curriculum designed to meet the needs of students seeking post-graduation degrees from two or four year colleges/universities, a military career or entrance into the work force. Our curriculum offers Advanced Placement (AP) and College Prep (CP) courses as well as Honors and Career and Technology Education or CATE courses. Opportunities are in place for students to participate in internships and co-op activities. As a High School That Works (HSTW) site, the school continues to focus on the HSTW ten key practices. As a result of the school's commitment to the High School That Works initiative, ten students received the HSTW Award of Educational Achievement. The school continues to provide opportunities for increased teacher, staff and student capacity. Staff development and academic workshops are conducted to assist teachers and support staff in the delivery of classroom instruction and other student services. Each activity is data-driven and based on student needs.

Tutorial sessions both before and after school, as well as Saturday School, are offered to all students. The Saturday School program provides students the opportunity to receive HSAP, End of Course (EOC) and SAT/ACT Prep assistance. In addition, our afterschool program offers students academic assistance in all their course work. Student athletes are also given an opportunity to maintain their academic standing in the before and after school sessions. Opportunity to recover credit is also available to our students. Mini-student body data presentations are conducted to increase student awareness of the school's academic performance, establish school-wide goals and increase student involvement in congressional policy making such as the NOYS-Distracted Driving Summit. With student achievement as a top priority, the school continues to see evidence of students' academic success. Sixteen students were recognized as Richland One Academic All-Stars and one student was accepted into the United States Naval Academy Preparatory School. The establishment of Recognition and Appreciation Day, Quarterly Honors and Awards Programs, Character Counts and other initiatives, have all increased student awareness of the importance of good grades and good character and have led to improved student academic performance and numerous academic awards. In addition to academic success, our athletics program continues to thrive; producing a State Champion in Cross Country. Family, Career and Community Leaders of America students won state level awards and will attend the National Conference. ECHS received the Healthier Generation Healthy Schools Program National Bronze Award. Our Fine Arts Department and other co-curriculum areas also continue to be recognized for outstanding performances and presentations. Our very active School Improvement Council (SIC) and booster clubs continue to provide vital support for Eau Claire High. These organizations are very active and constantly help to meet the needs of the school.

Eau Claire High School has partnered with Columbia College to infuse an arts-focused curriculum, which enables students to participate actively in dramatic arts, dance, piano and orchestra. The staff of Eau Claire High School has incorporated Best Practice strategies into our curricula to improve student achievement. However, in the pursuit of academic excellence, we will continue to solicit parental, community and business support through partnerships and our re-established Parents, Teachers, and Students Organization or PTSO.

June A. Page, Principal  
Lina Wehbi, SIC Chairperson

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	45.5
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Eau Claire High School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
