Report of Principal and School Improvement Council

The 2011-12 school year marked South Pointe's seventh year of existence and was highlighted by numerous accomplishments. The school was selected to become a part of the Winthrop University-School Partnership Network. Winthrop is currently partnered with twenty-six schools across nine districts with a goal to improve academic achievement, strengthen preparation of teacher candidates, increase support for new teachers, and improve professional learning for school and university personnel.

South Pointe continues to have many students accept our challenge to take the most rigorous courses they are capable of successfully completing. In the graduating class of 2012, eighty-one students are Gold Seal Endorsement recipients, having earned a minimum of twenty-eight units in grades 9-12 with no grade lower than a C, or have a cumulative GPA of 4.2 or higher. Twenty-seven have earned a uniform GPA between 4.2 and 4.49 and are designated as graduating with honors, while thirteen earned a uniform GPA of 4.5 or above and are designated as graduating with highest honors. Nineteen students were inducted into The National Technical Honor Society through the district's Applied Technology Center based upon academic achievement, skill proficiency, service, and leadership. Seventeen are Advanced Placement (AP) Scholar Candidates and twenty-three are International Baccalaureate (IB) Diploma candidates. This relatively small class of 294 students generated over \$8.1 million in scholarship offers.

South Pointe High School's Air Force JROTC program had yet another great year. The unit earned a Distinguished Unit Award for the sixth year in a row. The program continues to grow. Over 140 Cadets were enrolled in the program last year and 160 are enrolled for next year, making it one of the largest units in the area. A cadet received an appointment to the Coast Guard Academy, the unit's fifth service academy appointment and South Pointe's ninth in four years.

In athletics, thirteen of nineteen varsity teams made the state playoffs or qualified to compete in the state event, including the varsity football team that won the 2011 3A State Championship. Thirty-seven seniors made the South Carolina High School League's Athlete Scholar list, having lettered in two sports for at least one season or in one sport for at least two seasons while maintaining at least a 3.5 GPA for seven semesters and exhibiting outstanding citizenship and sportsmanship.

The Band of Thunder had another outstanding year, winning first place in class at both the Olde English Festival of Bands and the USSBA Regional. The band placed 3rd at BandBeat and was named a finalist at both the Olde English Festival of bands and BandBeat. The band won numerous caption awards including best percussion, guard, music, marching, drum major, and effect.

South Pointe's Assistant Principal for Curriculum and Instruction, Ms. Denise Khaalid, was recognized as the 2012 South Carolina Association of School (SCASA) Secondary Assistant Principal of the Year. She was later recognized with the 2012 National Association of Secondary School Administrator's (NASSP) National Assistant Principal of the Year award.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
