REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2011-12 school year, Early College added its third class as a "stand-alone" high school. This year's junior class will be the first graduating class and began the work of establishing traditions for others to follow. Our National Honor Society was established with induction of the first members, and students planned and held the first junior-senior prom. Sitework has begun on the new Early College building. Construction is slated to begin in August 2012 with occupancy of the new two-story building in August 2013.

Early College's performance on state tests continues to outpace the district and state averages. All students earned college credits prior to the end of their junior year. The ECH Class of 2012 graduated with an average of 50 college credits with 20% earning Associate of Arts or Applied Science degrees from HGTC in May 2012. Scholarships were received by 40% of seniors to continue their college educations.

In 2011-12, HCS Early College High School was a semi-finalist for the First Dick and Tunky Riley WhatWorksSCsm Award for Excellence which honors highly effective education initiatives in SC. Additionally, ECHS was selected by the SC Council for the Social Studies as the Social Studies Program of the Year. ECHS juniors participated in the National History Day competition with 24 students placing at regional level and advancing to state competition. Nine placed at the state level with five advancing to the national competition. A newly established Mock Trial Team participated in the regional event. During the 2011-12 school year, Ms. Samantha Lohr was named ECHS Teacher of the Year. Students gave back to the community through service projects which included Project Citizen Social Action; TogetherGreen Youth Fellowship, a partnership with CCU biology department; Special Olympics Polar Plunge; and, for the second year, the Veterans' History Project, preserving oral histories of our nation's veterans for the US Library of Congress. The Recycling Committee continued its campaign to encourage responsible citizenry in preserving our environment. Strong community partnerships support the students at ECHS. Our business partner, BE2, provided scholarships to four-year universities to eight 2012 graduates along with support of other enrichment activities. HGTC provided scholarships for another 21 graduates. We offer a special thank you to Horry Georgetown Technical College for their continued support and assistance. We would like to thank the students, parents, and community members for supporting us in reaching our goals.
