REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Lancaster High School is to assist students in becoming successful, well adjusted contributing members of society by providing an atmosphere which encourages academic, vocational, and personal growth through a challenging curriculum in partnership with home and community. This mission supports our District mission of "Putting our Children First". During the fall of 2012 LHS and our district received continued accreditation from Southern Association of Colleges and Schools Visit. Our school was recognized with two Palmetto Silver Awards from the S.C. State Department of Education. Our first award was for general performance and the second was for closing the achievement gap. Our PLTW, Introduction to Engineering Design Class, was identified as an award recipient from PLTW South Carolina. Based upon their completed projects, the class was awarded "Exemplary" and "Program Improvement" Awards from PLTW South Carolina.

Our seniors of the Class of 2012 distinguished themselves in many areas. The class received over 4.7 million dollars in scholarships. Fifty-five percent of the seniors achieved a GPA of 3.0 or higher. Seventy-nine percent of the class planned to further their education through college, technical education, or specialized training.

In addition to their classroom duties, our teachers and administrators participated in Professional Learning Teams on a weekly basis. These teams concentrated on continuing to improve instructional delivery.

LHS created a school wide Lip Dub video in April of this year. This was a great activity to promote school spirit and involved our entire student body and staff. All students and staff also participated in a school wide book read during second semester as part of our continued focus on literacy. Our students continue to be recognized for their various successes through our Junior Civitans, Civinettes, ROTC, Student Council, School Publications and various athletic teams. The Lancaster High boys and girls soccer teams received national recognition for their academic success during last school year — only 61 schools across the nation received honors for both their boys and girls teams. The Bruin Pride was the recipient of an award for Excellence from the Southern Interscholastic Press Association.

We were especially proud of our Jr. Civitans winning recognition as International Club of the Year. Our yearbook, "The Rambler", was the recipient of the "Palmetto Award" for the class 4 schools of SC. Seventeen of our twenty varsity athletic teams competed in the state playoffs. In addition, our school continues to provide 175 backpacks of food to all schools in the Lancaster City Area. During the final few weeks of school our school received an IPAD Grant. This grant will provide our students with access to interactive instruction and provides teachers an additional engagement strategy. Also, our students demonstrated significant improvement on End of Course tests which are reflected within this report.

We welcome your input and assistance as we continue to assist our students in their growth and development.

Joe Keenan, Principal
