## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pickens High School, fostering an environment of excellence, relies on the combined efforts of our faculty, staff, students, parents, School Improvement Council (SIC), and the community to provide a quality education for our students. Working to be a data-driven school, Pickens High continuously focuses on student achievement. The class of 2012 consisted of 275 graduates, 80 of whom were recognized as Honor Graduates. Twelve graduates qualified for the prestigious Palmetto Fellows Scholarship, and 156 qualified for Life Scholarships. The class of 2012 was awarded \$6.3 million in scholarships. Pickens High School is a High Schools That Work (HSTW) site. Our teachers incorporate the research-proven strategies into their instruction in order to provide students with comprehensive, rigorous, and relevant educational opportunities. Appropriate expectations of students and effective implementation of curriculum are guided by the HSTW 10 Key Practices. Pickens High School continues to value academics. Professional development focuses on instruction and technology that engages students and prepares them to meet SC Curriculum Standards at the highest levels. In addition, literacy strategies were a focus of professional development leading towards common core standards for all content areas. Teachers at Pickens High School continue to increase the academic rigor in their respective courses. Wanting to offer a greater variety of rigorous courses, PHS encourages students to participate in a comprehensive AP program. The addition of AP Grammar and Composition and AP Human Geography strengthened the offerings of the AP program at PHS. 150 Blue Flame Drive officially became our new home. Months of planning, construction, inspections, and countless hours of packing and preparation culminated into a move where a new journey would begin. Grateful to our teachers, staff, and administration for their continued commitment to excellence, the new facilities and available technology are in place to provide an education that will truly prepare students for life and work in the 21st Century. Through plays, concerts, pageants, athletic events, ball games, and other competitions, the Pickens community as a whole can enjoy Pickens High School...Where Excellence Has a New Address!

Marion Lawson, Principal and Isaiah Scipio, School Improvement Chairman
