REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

A slogan that we've adopted recently is "We Expect Success." To make that slogan even more clear, you will now see and hear "Everybody Graduates." Our professional development and a redefining of every role in every department at the school will focus on this primary purpose – "Everybody Graduates." It does not change, but increases our energy towards personalizing the learning experiences for each student.

To accomplish our personalization focus we continue to ensure that opportunities are available in what I call the four A's: Academics, Athletics, the arts, and Student Activities. This focus has led to the implementation of an extremely successful Medical and Health Science magnet and continued advancements in our activities, athletics and arts programs. Ridge View has been recognized as a Palmetto Gold Award winner for closing the achievement gap and received an Excellent rating on the most recent SC Report Card.

We will increase our very successful credit recovery and retrieval computer programs for qualified students using the NovaNET and ALEKS systems and add virtual course opportunities. The Advisory Program has been very successful and students will continue to benefit from this personalized approach to guide their academic and social choices.

To help ensure our commitment to focus on the success of each student, the involvement of our dedicated parents is expected. Our efforts continue to include parents in the education process of their children.

To simplify all of the demands of the above expectations we will continue to focus our resources on the accomplishment of the following goals: To ensure academic success for all students and to ensure all students have a sense of belonging to the school and community.

Dr. Sherrill "Marty" Martin, Principal
Dr. Sonja Merriwether-Hawkins, SIC Chair
