## Report of Principal and School Improvement Council

With two years completed and one to go on Whipple Road, spirits are high at Buist Academy. Construction and refurbishing of the original campus on Calhoun Street continues to be on schedule. The school will move back during the summer of 2013.

The International Baccalaureate Programme is moving forward. The faculty includes four trainers who are called upon to conduct workshops. Teachers in the Primary Years Programme revised and created new Units of Inquiry. All parents from Kindergarten through fifth grade were invited to their children's summative assessments throughout the year. In April, PYP students had their first student-led conferences with their parents. In the Middle Years Programme students began self-assessments using the Learner Profile. The assessments were included with quarterly report cards to foster discussion at home. The House System adopted new individual themes for a two year cycle: Diversity, Environment, Health & Wellness, Arts, Literacy, and Community Service. Eighth grade students continued to develop their skills as House leaders by planning activities beforehand and conducting the monthly meetings. In the fall, the Houses had a book drive for the De Chapelle School in Haiti. Our students gathered over 400 volumes to send to our southern neighbors.

Buist received an Excellent Absolute rating on the 2011 state report card for the elementary and middle grades. The Improvement rating for both was also rated Excellent. The Palmetto Gold Award was earned for continuing to make progress toward the state standards set for 2016. In addition, the school was recognized for the tenth consecutive year by the South Carolina Education Oversight Committee for continuing to close the achievement gap in historically underachieving groups of students. For the federal Adequate Yearly Progress (AYP), the school met 100% of its objectives. Twenty-three eighth graders qualified as South Carolina Junior Scholars based on PSAT scores. Six seventh grade students were recognized by the Duke Talent Identification Program at the State level.

Parent support and involvement remained high during the year, with hundreds of volunteer hours being given to activities inside and outside classrooms. Parents had reading circles across the campus. They dove into the mud pit at Barrier Island. Others met with 5th grade Exhibition groups weekly. They chaperoned from Washington, DC, to Orlando, Florida. The Parent Guild had a successful Fall Festival for the children. The Foundation held the bi-annual Auction and Dinner in April at Memminger Auditorium. The proceeds help to sustain the IB Programme. The School Improvement Council met monthly and followed closely the selection of the new Principal. It has been my utmost pleasure to serve Buist Academy for twenty-one years. I will follow its development and improvement as an international school in the years to come.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
