Report of Principal and School Improvement Council

Colleton County Middle School concentrated its efforts on academic and social success for all middle level students in the county during the 2011-2012 school year through the consolidation of the three former middle schools. Within the school, three learning communities were developed to maintain smaller environments conducive to learning. The three learning communities focused on the infusion of STEM, arts and natural resources. Standards-based instruction emphasized relevant and real life experiences through the integration of each learning communities' focus. Colleton County Middle School engaged and challenged our middle level students through vigorous endeavors and implementation of concerted academic programs. Some of the programs implemented include: STEM design process, English I, Algebra I, Explicit Direct Instruction (EDI), After School Growth and Achievement Program (GAP), standards-based curriculum, common assessments in four core areas, Balanced Literacy Reading Program, Reading and Mathematics Enrichment (Orchard), Positive Behavior Intervention System (PBIS), Gear-Up (7th grade) and Scholastic reading programs (Read 180 and System 44). During the 2011-2012 school year, Colleton County Middle School created a culture of learning directed at providing our students with the best core curriculum available. Our teachers regularly engaged in professional development opportunities in order to provide the most recent research based and best academic practices to enhance and foster student growth. Also, grade level and cross curricular planning times were built into the schedule to support standards-based instruction and assessment. Our goal at Colleton County Middle School is to continue our rigorous academic curriculum to provide diverse learning experiences and extra-curricular activities for our students. We strive to increase the use of technology to enhance instruction and parental involvement, as well as, assist our students in becoming life-long learners and productive citizens. We encourage members of the community to join our team at CCMS as students learn today so that they may lead tomorrow. With the continued support and partnership we share with all of our stakeholders, we look forward to another exciting and rewarding year in continuing to build the very best middle school ever.

Mr. Scott Matthews, Principal

Mrs. Sara Gardner, School Improvement Council

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.6
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Colleton County Middle School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
