Report of Principal and School Improvement Council

Northwood Middle School continues to be a successful middle school with strong involvement of parents through our PTA, SIC and volunteer opportunities. The school's motto is "Northwood: A Community of Learners." Our open door policy encourages parents to come in and be an integral part of their child's education.

Northwood has completed its fourth year in the new facility and its impact can be felt throughout the program. The building is equipped with Promethean Boards in every classroom, including the gym, three fully equipped computer labs, and three portable lap top carts. Northwood is also in its fourth year of its uniform dress code which requires students to wear khaki shorts/pants with solid colored shirts. This has had a tremendous impact on the quality of the students' performance. An indicator of the progress Northwood students are making is the continuance of our Absolute and Improvement Ratings as "Good". This led to Northwood being named a "Silver Award" winning school for the second year in a row.

Northwood's academic achievement goals for the past year were based on the PASS test. They called for maintaining an 80.7% scoring Met or better on the Math portion of the test, and a 5.4% increase in the number scoring Met or better on the ELA portion. PASS results were not in yet to include in this report.

Northwood continues to have successful programs that serve students. Among these are the Black Heritage Bowl Team, the Invention Convention, the History Club, the PTA Reflections Contest, the Career and Mentoring Club, and the career awareness/character education program funded by the Education Economic Development Act. This year Northwood Middle swept the top three places in the Upstate Invention Convention for 6th grade. Northwood also sponsors an award winning year book and a student newspaper. Northwood sponsors the National Junior Honor Society, the Student Council, various Honor Rolls, including the B.U.G. (Bringing Up Grades) Honor Roll to encourage students to always try to improve themselves and their grades. The school also sponsors the Northwood Knight program to encourage good citizenship and respect among students.

Northwood continues to strive for improvement for its students through our yearly self-evaluation Portfolio for Continuous Improvement model. Professional Development for the staff and communication with home continues to be focal points for our school.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.0
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
