THE STATE OF SOUTH CAROLINA 2012 ANNUAL SCHOOL REPORT CARD

RATINGS OVER 5-YEAR PERIOD

YEAR	ABSOLUTE RATING	GROWTH RATING
2012	Good	Excellent*
2011	Average	Good
2010	Average	Good
2009	N/A	N/A
2008	N/A	N/A

* The School's 2012 Growth Rating was raised one level because of substantial improvement in the achievement of students belonging to historically underachieving groups of students. The Growth Rating may or may not have been affected by the performance of these groups in prior years.

DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School Improvement Council

Lake Marion High School and Technology Center is a comprehensive setting offering a curriculum designed to meet the needs of students seeking post-graduation degrees from two or four year colleges/universities, a military career or entrance into the workforce. Our curriculum offers Advanced Placement (AP) and College Prep (CP) courses as well as Honors and Career and Technology Education (CATE) courses. Opportunities exist for students to participate in internships and co-op activities. As a magnet school, Lake Marion High & Technology Center also offers the STEM (Science, Technology, Engineering, and Math) program, and Project Lead The Way (PLTW) offering Pre-engineering and BioMedical Sciences. The school is in the candidacy stage for the Middle Years Programme (MYP) and Diploma Programme (DP) and is pursuing authorization as an IB (International Baccalaureate) World School.

The school continues to provide opportunities for increased teacher, staff and student capacity. Staff development and academic workshops are conducted to assist teachers and support staff in the delivery of classroom instruction and other student services. Each activity is data-driven and based on student needs. Tutorial sessions before and after school and Saturday School, are offered to assist all students with their academic studies. Mini-student body data presentations are conducted to increase student awareness of the school's academic performance and increase student involvement in the learning process. With student achievement as a top priority, the school continues to see evidence of students' academic success. Scholarship totals increased, as the class of 2012 amassed scholarships and awards of over \$3 million up from \$1.4 million in 2011. One student qualified for Palmetto Scholar Award; 55 members of the senior class qualified for the life scholarship, and one student was named Boys and Girls Club Southeast Youth of the Year. The establishment of Recognition and Appreciation Day, Quarterly Honors and Awards Programs, and other initiatives, have all increased student awareness of the importance of good grades and have led to improved student academic performance.

In addition to academic success, our athletics program continues to thrive, producing region champions and a state champion in track. Our Fine Arts Department, JROTC program and other co-curriculum areas also continue to be recognized for outstanding performances and presentations.

The School Improvement Council (SIC) and booster clubs are vital in terms of support for LMHS and Technology Center and provide constant help in meeting the needs of the school. However, in the pursuit of academic excellence, we will continue to solicit parental, community and business support through partnerships and our re-established Parents, Teachers, and Students Organization or PTSO.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.

Overall Weighted Points Total	100.0
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Science Technology Engineering Mathematics Magnet School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
