REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of LBC Middle School is to deliver rigorous and engaging instruction that fosters high academic achievement and social development in a safe and nurturing environment in collaboration with the home and community.

Our academic program provides challenging instruction in all subject areas and offers high school credit in five subjects including English I, Algebra I, Spanish I, Chorus and Keyboarding. The percentages of students passing the 2012 End of Course Exams were 100% in English I and 92% in Algebra I. Seven of our students were recognized as South Carolina Junior Scholars, and 14 students were Duke TIP recipients. In addition, our BETA Club grew by 42 new members. Once again, LBC's Geography Bee winner qualified for the State Geography Bee. LBC students received awards in writing to include the Nancy Carson Poetry Contest, Career Poetry Contest, Chemistry Poetry Contest and the Ghost Writers Contest. This year our Honors field trip was to Washington, D.C. and included tours of the White House, Library of Congress, and several museums and memorials. Our students also earned 13,700 Accelerated Reader points this year!

Our sports and fine arts programs offer wonderful opportunities for our students. We offer sports teams including: football, basketball, volleyball, cheerleading, golf and bowling. We also have band, strings, and chorus. The band received three "Superior" ratings in the Carowinds Festival of Music, and 31 students were chosen for the Aiken All-County Strings Festival. Both the strings and chorus students had the privilege of working with members of the Julliard School of Music. Our students were also actively involved in several community service activities, collecting money and canned goods for the Valley Empty Stocking Fund, benevolence for staff and students, and making teacher appreciation gift bags. Mrs. Regina Cochran was selected as LBC Teacher of the Year, and Ms. Gwen Kaney, cafeteria manager, was selected as our Classified Employee of the Year.

This year our teachers participated in Middle School Cross-Content Literacy Model and Common Core staff development. Our School Intervention Team used school and student data and research based strategies to improve our instructional programs and student support. The School Improvement Council and Title I committee continued to work on innovative ways to increase parental involvement, encourage student attendance, and support instructional activities. Celebration Night, the Talent Show, two Book Fairs, and our year end awards ceremonies were just a few of the ways that we welcomed the community into our school. Our students also had the opportunity to explore various career fields through field trips and guest speakers including a visit from many State agencies during our Public Safety Awareness Day. The support LBC Middle School receives from our PTO, parents, community and teachers is invaluable. Working together, we can continue to provide the best educational opportunities for our most valued asset, our children.
