Percent satisfied with social and physical environment	80.0%	45.9%	63.9%
Percent satisfied with school-home relations	61.3%	83.6%	65.7%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ridge Spring-Monetta Elementary/Middle School can be found in the small, agricultural community of Ridge Spring. Located in Saluda County, the school serves students from four counties: Aiken, Saluda, Edgefield, and Lexington. Several small towns are located in this area: Monetta, Ridge Spring, and Ward with the largest being Ridge Spring. Our Pre-Kindergarten-8th grade school includes approximately 630 students with an 86% poverty index. Our faculty and staff consists of fifty teachers, three administrators, two guidance counselors, and thirty-five staff members who work diligently to provide a standards-driven, student-focused environment.

Our Title I funds were used to decrease class size, increase home/school communication, provide professional development for teachers, and to put a greater emphasis on literacy, math, and technology. Classrooms are internet accessible with interactive whiteboard trained instructors. We have two stationary computer labs and three mobile labs with wireless access. In our middle school math classrooms, there are at least three stand alone computers for individualized enrichment and remediation. We also have electronic response systems which are wireless voting devices for immediate feedback and assessment. During the 2011-12 school year, we obtained four additional iPod carts containing forty iPods each.

Community involvement activities included participation in the Grandparent's Day Breakfast, Reading Night, Volunteer Breakfast and Math, Science, and Technology parent nights. Our arts program represents our school annually with community- school performances at the Monetta holiday tree lighting ceremony, Ridge Spring Harvest Festival, parades and local shows. Our school community raised funds for the American Heart Association by participating in Jump Rope for Heart and donated over five hundred cans of food to a local food shelter.

Professionally, our teachers have continued to implement our district's reading initiative, the ten key practices outlined in Making Middle Grades Work (MMGW), establish and implement school-wide routines, implement Common Core State Standards (CCSS) and set goals to measure improvement in student achievement by providing a rigorous and engaging curriculum. Our focus remains on professional learning and application of knowledge. A continuation of data analysis, collaboration, and engagement will drive our efforts in order for us to strive towards our mission. The School Improvement Council involves parents, community members, and teachers in the planning, monitoring and evaluating of our school program to ensure continuous improvement.

Callie Herlong, Principal
Chairperson

Jason Rodgers, SIC
