Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belton Middle School, the students, the parents, and the community are dedicated to sustaining an environment that promotes student achievement, encourages compassion and civility, affirms responsibility, and cultivates character and integrity, while embracing individuality. We strive daily to fulfill this mission.

We have a lot to celebrate this year. BMS was Re-designated as a School to Watch. This program sponsored in part by the SC Department of Education, recognizes middle schools that excel in the areas of Academic Achievement, Developmental Responsiveness, Social Equity, and School Structures and Processes. BMS was recognized as a Re-designated School to Watch at the SC Middle School Association Conference in March. We will be recognized nationally at the National Forum Conference in Washington DC this summer. BMS was recognized as a Palmetto Silver Winner for outstanding achievement on the PASS. We were also recognized by the EOC as a Closing the Gap Gold Winner for outstanding improvement in the area of math for our poverty students. Sixteen students were recognized as Junior Scholars for their performance on the PSAT. Belton Middle school also had regional student winners in the National Career Development Association Design and Poetry Contest. Our choral students scored superior ratings at various state and regional festivals this school year. We had two student winners in the BI-LO Invention Convention. In addition, we had a student who was selected to attend the South Carolina Governor's School for the Arts Summer Program.

Our students participated in several service learning activities this year. Thousands of dollars, donated items and hours of service were provided to the following organizations: Hoops for Heart- American Heart Association, United Way, Foothills Alliance, Belton Interfaith Ministries, Hospice, Relay for Life, the Humane Society, Ronald McDonald House, Meals on Wheels and Matthew's Hope. In addition, through our Service Learning course, guest speakers from several community agencies and organizations spoke to students throughout the year about service opportunities.

Our learning extended beyond our classroom walls as students participated in various field studies which included the following locations: Washington DC, Barrier Island, Lander University, and Clemson University. Partial funding for some of our field studies was provided through the WebbCraft Foundation. We thank them for their support of our school programs.

While continuing to promote our goals of teaching and learning, Belton Middle school is truly a School to Watch. Next year we will continue to work hard to increase academic achievement of all students, improve teacher quality through staff development and positively promote the school and its programs to parents and the community. We thank you for your support. We value the entire community of learners in our efforts to prepare our students for the future.

Glenn Stevens, SIC Chair
Davenport, Principal

Dr. Adrienne
