Percent satisfied with school-home relations	72.9%	85.7%	61.1%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Since its 1963 inception, Lakeside Middle School has been dedicated to providing a quality education for the children of our community. During the 2010 school year, the Anderson School District 5 approved Lakeside as the first middle level magnet school in the district. In August, 2010, we opened our doors as Lakeside Middle School of Inquiry and Innovation, a STEM school. Our dedication to offering our students a rigorous and relevant educational experience is evident in the many new outstanding opportunities offered to our students. Lakeside currently serves approximately 650 students in grades six, seven, and eight and has a diverse population representing various socio-economic, racial, cultural, and educational backgrounds. Our school offers courses in all core academics, fine arts, and technology which creates a unique learning environment designed to meet the needs of middle school students. Lakeside is proud to offer our students many new opportunities. Students can choose courses during their related arts that encompass robotics, engineering, graphic design, game design, Smart lab, as well as all areas of fine arts. These classes give students opportunities to explore interests outside of the academic areas. They also have the opportunity to take accelerated classes, earn high school credit, and participate in the district's gifted and talented program or AVID. Eligible students are also provided the opportunity to take the SAT or PSAT in seventh and eighth grade to be identified as Duke TIP Scholars or as Junior Scholars. We are proud of the academic progress of our students and continually strive to improve our performance as well as our students. Additionally, students are provided with many opportunities during after school hours. These include sports, Planet Patrol, Tiger Talk, and Beta Club. Student Council, Beta Club and Lakeside Ambassadors partner with local service organizations to teach our students the value of volunteering and community service. Additional learning opportunities are offered throughout the school day. Lakeside has an active PTO, School Improvement Council, and a CBS (Chorus, Band, and Strings) Booster Club and a booster club for athletics. These groups provide the foundation and support for the many activities that take place at our school. Parents are welcome and we offer many avenues for becoming involved in our school. We are proud to offer our students a safe environment, a healthy start, an ongoing relationship with a caring adult, an opportunity for service, and a marketable skill through an effective education. The united mission and promise to our students and community will continue to guide our way into the future. Our challenge continues to be to find ways to close the achievement gap and to meet the needs of our students in an ever changing world. We hope you will join us as we continue to provide quality educational experiences for our children.
