REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Brewer Middle School serves a diverse population of learners from multiple elementary schools in Greenwood District 50. We serve approximately 700 students in grades six through eight. Brewer offers a core program focusing on ELA, Math, Science and Social Studies and related arts classes which offer multiple opportunities for students. A single-gender choice program is available in each grade level. Brewer is also home to the ACTS Program. The Arts, Communication, and Theatre School uses a "school within a school" model providing artistically talented students with an academically challenging arts integrated curriculum.

Not only does Brewer offer an outstanding academic program, we also offer multiple opportunities for our students to excel in extra curricular activities. Our athletic teams had a great year winning multiple conference and city championships. The Brewer Girl's Basketball Team went 14 – 0 and the Girl's Soccer Team went 8 – 0. Our Brewer Cheerleaders won multiple awards as well. Our ACTS program provided multiple performances as well as two outstanding year-end showcases. In the first year of implementation, our Young Gentlemen's Club and GLENAS's Girls were great successes as well.

Academically, Brewer Middle School had an excellent year. One of our students was recognized as a Duke TIP Scholar, we inducted 64 new Beta Club members, and we had 11 Junior Scholars. We had eight students selected to attend the South Carolina Governor's School for the Arts. Our drama students won thirteen awards this year in their second ever competition.

Our students and staff did an excellent job this year with fundraising as well. We raised more than \$3500 for United Way. We also raised in excess of \$1500 for March of Dimes, more than any school in our district. GLENAS's Girls raised almost \$900 for Relay for Life. We had multiple canned food drives this year to assist families in our community. Brewer also maintains a food bank in which we help serve various organizations in our community.

Our teachers were provided with multiple professional development opportunities throughout the year. They attended Project CRISS training, single gender training, iPad training, Compass Learning training, Common Core State Standards training, along with other sessions as well.

We are very proud of our accomplishments this year and we attribute our successes to our dedicated faculty and staff, our Parent Teacher Organization, an active School Improvement Council, excellent district level leadership, a supportive school board, and parental and community involvement.

Chad M. Evans – Principal
Mr. Lawrence Johnson – SIC Chairperson
