Percent satisfied with school-home relations	76.4%	79.8%	76.2%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gettys Middle School students, staff, administration, and community are "Making Gettys Great." The 2011-2012 school year has been a very successful year at Gettys Middle School. We have set high expectations for our students learning and development. Our school's absolute rating was the highest we achieved in the past nine years and higher than 72% of all middle schools in South Carolina. Academically, our students have achieved award-winning excellence. Our school's first Palmetto Silver Award by the SC State Department of Education recognized our continuing high academic performance over a three-year period. Our focus on literacy initiatives produced our school and district's award winning Lieutenant Governor's Writing Award. A record number of students received Presidential Academic Excellence awards as well as dedicated participation in our National Junior Honor Society and BETA Clubs. Our students completed MAP testing to chart their individual growth in math and English, and numerous students have shown outstanding gains. As a school, our students exceeded MAP national averages in all grade levels and in all subjects tested. At the school level, several students participated in the Bi-Lo Invention Convention in the area of Science and Technology. Other successful clubs were the STEM-based Robotics Club that hosted a district competition and the History Club and Math Counts that increased student engagement and academic success. Our goals are to achieve academic excellence, positive character development, and successful partnerships with our families and communities. Each of these goals was accomplished with award-winning efforts and people working together. We were recognized for our efforts in character development by receiving the 2011 Promising Practices Award for two programs: Gettys Gives Back and Breaking into Business. Our Red Carpet Award school received the 2012 Safe Kids School Award for our emphasis on safety and student wellness. The Bridges to Success academic program that meets the needs of at-risk learners showed excellent results. Our teacher's outstanding efforts were recognized as well. Our teachers received several grant awards, including the ING grant that focused on student wellness in our school's 5K walk/run as well as continued support from Bi-Lo Charities in partnership with our media center's fundraising campaign. A Social Studies teacher received national board certification, increasing the number of national board teachers in our school to six. Our efforts on character education produced award lunches for hundreds of students that was sponsored by our PTO organization. We also benefited from tremendous support from our Breaker Buddies mentoring program and Clemson University's Middle Passage. Our students conducted numerous service projects and donated to several community charities. Athletically, all of our teams had successful seasons. Our Fine Arts received numerous awards including our band program that received their second Outstanding Band Program Award. An Art student received recognition by the Pickens County Cultural Commission. We are extremely grateful to our students, staff, volunteers and PTO parent organization for a very successful year. Working together we can continue to "Make Gettys Great!"

Michael Cory, Principal and Twon Austin, SIC Chairman
