REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"Making Every Child Count" is the motto of Manning Early Childhood Center. MECC has been recognized as a "Red Carpet" School is accredited by the Southern Association of Colleges and Schools and the National Association for the Education of Young Children. MECC has maintained an Excellent Report Card Rating since it opened in 2000 and has met AYP all but two of those years.

There are many factors that support the program and mission of educating children. All staff members are highly qualified with over 70% of the professional staff having an advanced degree and five teachers are National Board Certified. MECC incorporates a variety of programs to support instruction. There are six Child Development Pilot Project Pre-K classrooms that serve 120 students in an all day program. MECC supports the use of instructional technology and has a state of the art computer lab with the Waterford and Classworks programs. 100% of the classrooms have interactive boards and all classrooms have multiple computers. MECC offers the literacy enrichment program, Raise a Reader, and the remediation program, Roaring Readers. The special education staff is highly trained in innovative teaching and behavior modification techniques. The Early Literacy Program funded through a Save the Children grant serves 50 in school students and up to 40 students after school.

A variety of parent and family activities also support the programs at MECC. Families participate in a Rotary sponsored "Literacy Night", First Steps Family Literacy, and a Family Resource Center. Additional programs and activities include; inviting families in for meals, an annual school play, and Readinghouse Sweepstakes. An automatic calling system informs parents of events and meetings. Parents also have access to the school and district website for information and a school newsletter is sent home monthly. MECC has many service learning projects such as; Relay for Life, Nothing but Nets, Hugs for Haiti, garden projects, food drives, and a Character Education program.

Areas of concern at MECC include student attendance, tardiness, reading and math levels, and pupil-teacher ratios. The poverty level in Clarendon School District Two is also a factor that impedes student progress. MECC has a disproportionate number of special education students who are achieving below grade level. Although these issues are being addressed, they may have an adverse effect on future report card ratings.
