REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Excellence continued at Pate Elementary during the 2011-2012 school year. Our school excelled in meeting the needs of all students, provided quality professional development for the faculty and staff and involved parents in the academic growth of their children. Pate's PTA plays a vital part in the success of the school. Funds were provided to create a welcoming and caring school environment and technology resources.

Professional development was essential to Pate teachers this school year. All teachers continued their training in best practices in literacy instruction. Literacy instruction continued to be a primary focus for the faculty and staff. Our professional development was enriched by teachers leading our sessions throughout the year. We also attended workshops offered by the South Carolina Department of Education. Three teachers completed their Masters degree in Language and Literacy.

Integrating the school-wide Title I project enabled the school to continue its focus on parent involvement and also, provide quality instructional programs. Title I funded the parent involvement activities throughout the year. The SuccessMaker computer lab and the Waterford Early Reading Program software were maintained. Workshops provided parents with methods to assist their children for continued success. Special events for parents included our annual "Writing Fair" to showcase student work; a "Daddy/Daughter Dance" for fathers and daughters; and other family-themed nights.

The character education program was evident in the daily activities of the school. Each day the Code of Ethics was recited, character words of the week were emphasized and character-building activities for parents and students to do together were provided in the monthly newsletter. In addition, a school-wide theme of Ready, Respectful, and Responsible continued during Morning Meetings in each classroom in order to instill in our children the qualities of good citizenship. This provided an avenue for teachers to emphasize positive and appropriate school behaviors. Student excitement was evident each day as the students received accolades for exhibiting these character traits.

Our school received an Excellent State Report Card rating from the SC State Department of Education in November. This year we accepted the Exemplary Writing Award from the State Department of Education at the SCCTE conference in January. Mr. David Graham was chosen as the Teacher of the Year. Our custodians continued to receive recognition as they earned the "Clean School of the Month" for our school district two times during the 2011-2012 school year.

These accomplishments, along with many not stated, make Pate the distinguished school that it is. We believe that the success of Pate Elementary is the result of the support provided by our parents, community, students, and faculty. We have high expectations of our students, parents and ourselves as we continue our journey of EXCELLENCE!
