District Superintendent's Report

The 2012-2013 School Year has been a very successful year for Georgetown County School District. We are very proud of our first "Excellent" Report Card and the continued progress our students have made this school year. This progress is the result of our students, parents, teachers, and community members working together to provide the best possible education for all of our students.

During the 2012-2013 School Year, Georgetown County School District went through the Five-Year Review and Renewal of our Accreditation Process with AdvancED. Our District scored well in this process and received our Full Accreditation. I want to thank all of the teachers, students, parents, and community members who participated in this important process.

Georgetown County School District continues to work on revising our Technology Plan and Facilities Plan. These revisions are vitally important to our future success and also pose a real challenge due to a limited budget. We have to prioritize our needs due to limited resources. Cuts to Title I and Special Services have reduced those budgets drastically. Regarding Facilities, one of our top priorities again will be the security and safety of all our students and employees. Improvements will be made to make our buildings safer and more secure. You will see a number of our schools receiving modifications and updates. Georgetown County School District has placed a high priority on Professional Development for all employees to improve the overall operation of all facets of our programs. Professional certified personnel and classified staff have been provided many opportunities to expand their knowledge. All of these opportunities have supported student growth and reaching higher expectations which are part of the mission and strategic plan of Georgetown County School District.

Thank you for all you do to support our schools and students. Students, teachers, parents, and community members working together help us to achieve our academic goals and provide the best educational experiences for all students in Georgetown County School District. We look forward to a great school year in 2013-2014.

H. Randall Dozier, Ph.D.
Superintendent
