REPORT OF SUPERINTENDENT

Dear Beaufort County School District Family:

Thanks to the hard work and creativity of students, families, educators and school partners, 2012-13 was another year of solid improvements.

Student achievement improved on state and national tests. Ninety-four percent of schools were rated Excellent, Good or Average on state 2012 School Report Cards, up from 59 percent five years ago. Eight schools were rated Excellent. Twenty-one schools (70 percent) rated an A or B on newly redesigned federal accountability reports released in 2012 by the South Carolina Department of Education. The district's elementary schools scored 90.4 for an A, middle schools scored 82.1 for a B and high schools scored 86 for a B. The district as a whole scored 86 for a B.

Our high school students improved their exit exam performances to all-time highs, with 81.4 percent passing both sections of the exam on their first attempt. That's 10 percentage points better than five years ago.

Eighteen schools earned 2013 Palmetto Gold or Silver awards for student academic achievement from the South Carolina Department of Education. Only nine of South Carolina's 84 school districts had more schools to earn awards this year, and all had larger student populations and more schools than Beaufort County.

Ninety-three percent of our middle and high school student athletes maintained their academic eligibility to participate in interscholastic sports under a new district academic requirement that athletes meet a 2.0 minimum grade point average. The average GPA district-wide for middle school athletes was 3.42. For high school athletes, it was 3.46.

Nearly 200 staff positions have been cut district-wide over the past four years, with the largest reductions coming in district office staff. Innovative conservation practices saved more than a 14 million kilowatt-hours of electricity in 2012 over 2006 levels, and water use decreased from 56.9 million gallons in 2006 to 38.5 million gallons in 2012.

A key continuing challenge in Beaufort County, as in other districts across the nation, is reducing achievement gaps between students from lower-income and higher-income families, and also between minority and nonminority students. We have made progress in reducing these gaps, and we are determined to accelerate that progress.

Thank you for supporting our school district, our students and our educators.

Jeffrey Moss, Ed.D, Superintendent
