REPORT OF SUPERINTENDENT

Hampton School District One continues to be recognized as a progressive, innovative school district dedicated to the pursuit of excellence in academics, athletics, and the arts. During the 2012-2013 school year our schools did well on the state-required PASS test. The State Department of Education lists Hampton District One as one of the State's highest performing districts based on report card data and our District's poverty index. Our music program is active throughout our schools, and our band won several awards. Our athletic teams continue to perform well while instilling good sportsmanship and work habits in our youth.

After Christmas, our students moved into the new North District Middle School. A new concession stand and restrooms are in use at Wade Hampton High School.

Our teachers have spent a great deal of time preparing for the new Common Core standards. In addition, significant strides are being made in improving technology as a way of enhancing instruction.

We have accomplished a great deal by working together as a team focusing on our number one goal of improving student achievement. We wish to thank our community for your continued support and our Board of Trustees for their outstanding leadership.
Douglas E. McTeer, Jr., Ph.D.
