REPORT OF SUPERINTENDENT

For the 2012-13 school year, Fort Mill School District (FMSD) continued to be one of the fastest growing school districts, per capita, in the state of South Carolina. In spite of the most depressed economy since the 1930's, the district grew at a rate of 6% which equated to over 400 new students. The enrollment at year-end was approximately 11,134 students.

The challenge for FMSD continues to be funding the operating needs of a growing district with modest or flat annual increases in state funding. The district again was rated "Excellent" on the state report card system. This report is based largely on student achievement results. Individual and student awards were too numerous to mention, but the following deserve special recognition: All schools received Palmetto Gold awards for outstanding student academic performance; over \$17,000,000 in scholarship opportunities were awarded to high school graduates; Fort Mill High School's band won the AAAA state marching band championship and participated in the St. Patrick's Day Parade in Dublin, Ireland; and Nation Ford High School's band was selected to participate in the World War II Memorial Service at Pearl Harbor in Hawaii. The district was also successful by gaining voter approval for \$53 million to increase student enrollment at both high schools, provide technological improvements, enhance safety measures, and add turf fields at FMHS and NFHS.

Even though we face additional financial issues as we go forward, the School Board, the administration, the teachers and staff pledge to continue to provide a quality educational program to our constituents. In fact, we developed a three-year spending plan to prepare for future obligations, including the opening of two new elementary schools in 2014. As always, we will focus our resources at the classroom level. Thank you for your past support and the district looks forward to continuing to work with our community in ensuring that we adhere to the motto of "Children First."

James N. Epps, Jr., Ph.D., Superintendent
