Report of Principal and School Improvement Council

Great things are taking place at Boulder Bluff Elementary School. Boulder Bluff Elementary served approximately 795 students from Child Development through Fifth Grade. We received an "A" rating on our school report card and were the recipient of the 2012-2013 Palmetto Gold Award for Performance and Closing the Achievement Gap. We are extremely proud of the progress our students made this school year. Our teachers worked diligently to find creative ways to help each student achieve academic success.

Teachers participated in professional development centered on Common Core State Standards and Enhanced Balance Literacy. Professional Learning Communities were held weekly at every grade level. The focuses of the PLC's were instructional strategies, creating common benchmark assessments, and analyzing data to improve student achievement in reading and mathematics. Several of our teachers received National Board Certification and an advance degree.

To meet our goal of improving student achievement, identified at-risk students in grades K-5 received additional small group instruction in reading and math. Additionally, identified students in grades K-5 received after-school enrichment in reading and math. Teachers used students fall MAP data to set goals in reading and math. Students participated in various activities throughout the school year such as placing in the BCSD Spelling Bee, Roscoe Reader, Looms of Love project, Junior Achievement, Kids Who Care, Jump Rope for Heart, and Career Day. Our school participated in a school-wide behavior program, PBIS, to reinforce positive behaviors among students and staff. We are an Art in Basic Curriculum site and brought in artist in residence to work with our students.

Parents were provided with opportunities to be involved through PTO, School Improvement Council, Title I planning team, parent workshops, family nights, conferences, volunteer opportunities, and award programs. Our PTO has been instrumental in supporting our instructional program, and has also worked collaboratively with the staff to provide various activities for students and parents. Parents and community members volunteered to tutor and mentor students, and assisted teachers within their classrooms. Business partners have been active and supportive throughout the school year. They have supplied student and staff incentives, school supplies, and grant money.

The Boulder Bluff Elementary family will continue to help every student reach their academic potential. We look forward to another great year.

Andrea Salters, Principal
Sylvia Shorter, Chairperson, School Improvement Council

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
