## Report of Principal and School Improvement Council

Howe Hall Arts Infused Magnet School is a nationally recognized elementary school serving the Berkeley County community. Opening in 2002, HHA consistently offers children unparalleled instruction that addresses multiple intelligences by creating lessons that merge South Carolina arts and academic standards. The continued belief that success is obtainable by every student forces innovation and creativity in the introduction and re-enforcement of South Carolina elementary standards. Howe Hall AIMS consistently scores higher than district and state averages on the Palmetto Achievement of State Standards (PASS) and South Carolina Arts Assessment Program (SCAAP) tests.

Students at Howe Hall AIMS attend weekly classes for visual arts, music, drama, dance and Spanish. In addition, the fine arts and classroom teachers create and present arts-infused lessons with a team-teaching approach. These lessons are based on the Common Core State Standards and the South Carolina State Standards but are taught through the eyes of an artist. Students apply arts skills as they work to master the academic standards. This unique feature is one of the many aspects that make Howe Hall AIMS such a dynamic institution of learning. Another distinctive feature of Howe Hall AIMS is the exploratory classes that students in grades 3-5 attend weekly. These classes include steel drums, ballet, chorus, clay, tap, modern dance, puppetry, costume design, digital media, strings and more. The campus curriculum is also supplemented by regular visits from artists-in-residence and performance groups that range from storytellers and folk singers to poets and puppeteers.

Attending Howe Hall AIMS offers opportunities for students to experience the thrill of performing for live audiences throughout the year. The school has two major performances, a spring and winter musical, with audience attendance ranging from 800 to 1100 and growing each year. This year our students were also invited to perform at the North Charleston Arts Festival. Participation in various community art shows, contests, and charitable organizations where not only students' artwork but civic responsibilities are featured is a tradition at Howe Hall AIMS.

This year, AIMS was recognized with two Palmetto Gold Awards for both outstanding academic student performance and for closing the achievement gap. In 2010, Howe Hall AIMS received the National Blue Ribbon School of Excellence Award from the United States Department of Education. In 2007, Howe Hall AIMS students performed at the Kennedy Center in Washington D.C. after receiving the State and National Kennedy Center Creative Ticket School of Excellence Award.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.
