Report of Principal and School Improvement Council

Sedgefield Intermediate School provides a culturally sensitive and diverse learning environment for approximately 775 third, fourth and fifth grade students in Goose Creek, SC. Sedgefield Intermediate fosters a safe, orderly and healthy school where every student is challenged and empowered to be successful in our highly competitive world. Teachers and staff are committed to providing our students the "Pathways to Excellence" through authentic learning experiences, increased rigor and relevance, and integrated technology experiences. Sedgefield Intermediate's teachers plan collaboratively, sharing professional experiences and knowledge to ensure that student learning is our focus. Teachers benefitted from regular staff development from our curriculum coach, Title 1 facilitator, administration and BCSD personnel. Parenting programs held throughout the year included Math/data night and Literacy Night.

We remain excited about the use of technology as an embedded resource in instruction to enhance authentic learning experiences. In addition to the use of SMART interactive white boards, document cameras, and student computer work stations in each classroom, students also participated on the school's robotic team and participated in regional robotic competitions. For the first time, Sedgefield partnered with the Roscoe Reading Program to encourage and motivate our youngest readers.

In an effort to provide students with additional support, we have partnered with Community In Schools of Charleston. CIS provides a nationally acclaimed dropout prevention program that surrounds students with a community of support, empowering them to stay in school and achieve in life. CIS partners with us using an evidenced-based comprehensive approach to bring community services to our students and their families. Our Student Support Team provides one-on-one interaction and school-wide services.

Schoolwide, we continued a Positive Behavior Intervention System, which interconnected with our character education program. Our character trait of the month fostered citizenship and service learning. Each class recognized a Student of the Month who best exemplified the monthly character trait. We continue to be excited about the many opportunities that we provide students and embrace our parents and the community as we focus on our center point, the students, developing a lifelong love for learning.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
