## Report of Principal and School Improvement Council

Angel Oak Elementary School is a Title 1 neighborhood school located on Johns Island. Through shared decision making, a positive climate and high expectations, the Angel Oak family made great strides during the 2012-2013 school year. Four hundred students in Child Development through Fifth Grade attended our Palmetto Gold and Silver Award School. At Angel Oak we use data to drive our instructional decisions. Our academic success is directly tied to our collaborative teacher teams, a standards-driven curriculum, and the interventions we use to assist students toward reaching their maximum potential.

The 2012 PASS results revealed gains in areas tested and earned our school an "Average" report card Absolute Rating and an "Average" Growth Rating. Angel Oak was recognized by the Charleston County School District as an Exemplary PBIS School. Our test scores and this honor indicate that we are successfully accomplishing our mission of "Achieving Academic Excellence in an Ever-Changing World". Our mission includes an "Educating the Whole Child" approach and addresses students who are Ready to learn, Respectful, Responsible and critical thinkers. Literacy is the central focus at Angel Oak Elementary School with the five big ideas of reading (phonemic awareness, phonics, vocabulary, fluency, and comprehension) being implemented. Every classroom is equipped with a SMART Board, computers, document camera and all students have an iPad (1:1 learning Initiative). Students are engaged with technology daily. During the 2013-2014 school year, teachers will continue to receive professional development in literacy and brain-compatible teaching and learning strategies.

During the year, our students, families and staff participated in a variety of academic, social and community activities. Staff development focused on research based strategies for increasing student achievement and included book studies: Delivering on the Promise (Mastery Learning), The Daily 5 and The Café Book (Reading and Writing Workshop), and Stop and Think (social skills). Staff members attended workshops, conferences, enrolled in courses and visited other classrooms to enhance instruction. Many students participated in our after school enrichment programs. Our PTO and SIC sponsored events such as: Reading Carnival, Family Reading Night, Family Math and Science Night, Family Arts Night, and PBIS Celebrations. Our students were active with Engaging Creative Minds, project-based learning, musical performances and competitions. Canned goods and "Angel Tree" contributions were collected during the holiday season for needy families. Students raised funds with the help of the Angel Oak Student Council for the Leukemia Society and Muscular Dystrophy. Our students competed in math contests, spelling bees, essay contests, art contests, tennis and track competitions and the Lowcountry Science Fair.

As we strive to move more students into the "Exemplary" category on PASS and incorporate the common core state standards, our staff will continue to develop and implement strategies to meet the needs of each learner. At Angel Oak, we believe all students can reach their APEX and we celebrate each student's diversity and success.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.

<b>Overall Weighted Points Total</b>	<b>47.8</b>
<b>Overall Grade Conversion</b>	<b>F</b>
