Report of Principal and School Improvement Council

Scranton Elementary School's students, teachers, staff, and parents had a rewarding school year. Our students were provided educational experiences through full implementation of the Common Core State Standards in K-2, a yearlong reading challenge, Door Buster Morning program, Reading Buddies, READ 180, Systems 44, and the Daily Five structure for literacy to prepare them to be college and career ready. Each individual student's needs were met through researched-based strategies, small group instruction, and benchmark testing to ensure academic growth. Technology was incorporated into lessons to enhance student learning through the use of the Classworks program, ALEX math program, Reading Counts, Fast ForWord, and classroom Promethean boards. A safe learning environment was provided that allowed all students to grow, learn, and achieve academic success.

A variety of instructional strategies were used to foster the academic success of our students. The school leadership team guided teachers as they worked in collaborative grade level and school-wide teams to analyze PASS, MAP, and benchmark data to plan instruction and assessments based on the South Carolina Standards and Common Core standards. Teachers were trained in researched based strategies during cluster meetings through the TAP program. The district Technology Coach worked with teachers once a month to increase their technology proficiency levels. Professional development book studies were held to foster literacy in K-5.

Our students were provided numerous opportunities to develop character traits through the school's character education program, which also included a bullying program lead by a fourth grade classroom of "Bully Busters". The students participated in several community service projects. These projects included Pennies for Patients, March of Dimes, the Florence County Disabilities Helping Hands Project, and Harvest Hope Food Bank. Our students took pride in helping others and were honored throughout the school year.

A strong family and community partnership was maintained throughout the school year through our Open House, Family Nights, Grandparents' Day, Doughnuts for Dads, Muffins for Moms, Fall Festival, Scranton's Celebration Day, Field Day, Author's Tea, Family Days, and the Mileage Walking Club..

Scranton Elementary School continues to work together to make a difference with all our students. As our mission states, "Educate all children by achieving academic excellence", we are partners with our district, teachers, staff, students, parents, and the community to guarantee success for all.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
