Report of Principal and School Improvement Council

"Excellence For Every Child Every Day" describes the daily atmosphere at Hickory Tavern Elementary School. Our students, parents, and teachers are united to "Sail Beyond Excellence." The guiding light is our vision which states we will be a school of excellence and equity in educational practices for each learner.

Located in a rural community of Laurens County, Hickory Tavern Elementary School is a Title I school that proudly serves 437 students in grades 4K to 5. Approximately 85% of students are Caucasian and 15% of the student body includes African-American, Hispanic, and other ethnic classifications. The percentage of students receiving federally subsidized meals has increased over the past several years to 64%. At our school parents have the option of choosing Creative Curriculum or Montessori for their child's academic track. Students' individual needs are addressed through Academy Time and Response to Intervention initiatives. The academically gifted and talented program serves 7% of the students. Students in grade three have the opportunity to attend a community-sponsored program, Released Time, for religious instruction.

Under the leadership of Mrs. Amy Adams, School Improvement Council (SIC) Chair, the SIC has worked diligently to enhance security measures to provide a safe school climate. Additional security equipment has been added throughout the school and is monitored by our school's resource officer.

Over the past four years, our school has earned both gold and silver awards for our students' performance on state testing. We are proud that Hickory Tavern Elementary earned the Palmetto GOLD award for PASS General Performance and the Palmetto SILVER award for PASS Closing the Achievement Gap.

Our continued goal is to ensure that each child is prepared academically, socially, and emotionally for future endeavors. Hickory Tavern Elementary School's strategic plan continues to develop and document changes and progress our school is making. This plan provides our staff with an ongoing means for self-assessment, communication, continuous improvement, and accountability. Our school and district are accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement.

Our school climate has been greatly enhanced by our Volunteer Program. We have seen increased parental and community involvement in school activities. Hickory Tavern Elementary School strives to maintain a rigorous learning environment where students, teachers, parents, and community work together to share ownership for learning to produce successful lifelong learners who are responsible and productive citizens.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
