## Report of Principal and School Improvement Council

The faculty and staff of White Knoll Elementary continuously seek our vision: that the students at WKE are a 21st century generation of learners and leaders who are creative, collaborative, critical thinkers and effective communicators. Highly knowledgeable educators deliver a challenging standards-based curriculum. They partner with families and the community to provide opportunities for excellence and meet students' individual needs in a caring, positive environment. We were pleased to receive the S.C. Department of Education's Palmetto Gold Award in recognition of our academic performance.

On the 2012 Palmetto Assessment of State Standards evaluation, 18% of third-grade students, 21% of fourth-grade students and 18% of fifth-grade students scored "not met" in the area of English language arts. In an effort to improve student achievement in ELA, teachers provided early morning tutorials at least two mornings a week. It is our goal to have less than 15% of our students score "not met" in all content areas.

We are in our second year of implementing "The Leader in Me" program. Students and staff were trained in Stephen Covey's "The 7 Habits of Highly Effective People" and are learning how to implement these principles in their work and everyday life. Students held leadership roles at school, established academic and personal goals, and tracked their progress in data notebooks.

A fall and spring Leadership Day this past year provided students with an opportunity to demonstrate their leadership skills. Through various roles, students shared their talents, data notebooks and how the 7 Habits have made an impact not only at school but also in their personal lives. Parents, community members and educators throughout the state attended these events to learn about the "Leader in Me" process.

Our school participated in our first Boosterthon Fun Run-Highway USA called "On the Road to Good Choices." Students engaged in classroom discussions about leaders, learning, character, fitness and positive attitudes. We used the proceeds from this event to enhance our leadership program and to purchase technology equipment for our daily morning news program.

Students at WKE were engaged in many valuable leadership opportunities through community service projects this year. Our fifth-grade students honored our veterans with a Veterans Day breakfast celebration where they served breakfast to veterans with patriotic songs and expressions of gratitude. Our first- and fourth-grade students collected hats, gloves, scarves and school supplies for victims of Hurricane Sandy. Third-grade students collected canned food for Harvest Hope Food Bank, second-graders collected food items for our "Snack Pack" program and kindergarteners wrote cards to the elderly in nursing homes.

We would like to thank the Lexington One Board of Trustees for your continued support and vision for 21st century learning and leadership for all students.

Principal Janet Malone and SIC Chair Dan Hane

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>78.9</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

White Knoll Elementary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
