**Report of Principal and School Improvement Council**

North Springs Elementary School faculty and staff provide exemplary instruction for ALL children in a caring and safe environment. Our faculty and staff share the same high expectations as parents: a safe, clean environment where all children experience academic success. Our community actively seeks a role in the education and celebration of our children.

Our children benefit from this strong partnership with our community, as has been evidenced by being named a Carolina First Palmetto's Finest School in 2001, and a Palmetto Gold School in 2001, 2002, 2003, and 2004. We were a Palmetto Silver School for 2009 and 2011. We hold the Schools of Promise designation and were named a Red Carpet School in 2004. Our Academic Team was named first in the state in 1998, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, and 2011. We were named a Magnet Schools of America distinguished school in 2012 and 2013.

Students are provided a myriad of enrichment activities which includes a fifth grade overnight trip to Florida to swim with manatee. Our integration of technology is outstanding. We recently implemented one to one computing in fourth and fifth grades and will expand to third grade at the start of next school year. We have the QuEST program for Academically Advanced and Gifted fourth and fifth grade students in the areas of math and science. In 2009, we launched our STEMS magnet program in grades kindergarten, one, and two. This past school year we expanded the program to fifth grade. Next school year, our fifth grade STEMS students will have the opportunity to attend the STEM Institute of Design and Innovation (SIDI) at the middle school level.

Our Number One Goal at North Springs is student engagement and enrichment. Our percentage of students meeting standard on PASS exceeded the state in Math, ELA, Science and Social Studies. On MAP testing, North Springs' students scored at or above the national average at all grade levels in both Reading and Math. We celebrate the academic achievement of all children and work as a unified team to prepare our children to lead in the 21st Century.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>94.2</b>
