Report of Principal and School Improvement Council

The Roebuck Elementary School motto, “Soaring High and Reaching for Excellence”, is reflective of the high expectations established by our school community. Our mission is to provide educational experiences for the whole child in a nurturing and challenging environment in order to prepare our students to be responsible, self-reliant citizens in a rapidly changing society. The faculty and staff at Roebuck believe that children come first. We are committed to providing high quality learning experiences for all learners. Our teachers strive to develop creativity, curiosity, critical thinking, collaboration, and problem solving skills during instruction. Through the implementation of best practices and differentiated instruction, our students have continued to grow and experience success. As a result of our students’ excellent academic accomplishments, Roebuck received the Palmetto Silver Award from the S.C. State Department of Education.

During the 2012-2013 school year, the faculty explored a STEAM (Science, Technology, Engineering, Arts, and Mathematics) specialization for Roebuck. Evidence from several school visits, school surveys, and research and data analysis, supported the continued exploration of a STEAM initiative. After a successful implementation of a STEAM Family Fun Night and increased student achievement and interest in the area STEAM education, the stakeholders of Roebuck agreed to strongly pursue a STEAM specialization. After the submission of an application, Roebuck was selected to pilot the Project Lead The Way (PLTW) curriculum during the 2013 - 2014 school year. Aligned with the goals of Roebuck, the PLTW curriculum will encourage continued student exploration and development of individual interests, as well as promote creative and intellectual abilities related to technological careers, problem solving, and the design method.

In addition to Roebuck’s academic achievements and initiatives, our students have the opportunity to participate in before and after school clubs, including Running Club, Math Explorers, Garden Club, Girls on the Run and many more. In order to give back to our community and environment, our students take part in many community service projects, including a Student Council sponsored canned food drive, Relay for Life, Jump Rope for Heart, United Way, Mobile Meals and student sponsored recycling team. Roebuck’s success and achievement would not be possible without the help and support of our outstanding school community. The PTO, SIC, parents, business partners and community members are committed and dedicated to preparing our students for a successful future. The members of our school community and faculty devote time, hard work and effort to ensure our students have superior 21st century learning opportunities.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
