**Report of Principal and School Improvement Council**

Dear Parents and Guardians,

This has been an exciting year at Pocalla Springs Elementary. We have participated in many initiatives and have earned several recognitions and awards. We are able to accomplish these things because at Pocalla Springs Elementary, we Aim for Success!

Pocalla Springs aims for success by being a school where students are prepared to learn and ready to meet the challenges of each day. We aim to have a school where parents are actively involved and participate in their child's education by attending workshops and special events, and by encouraging school attendance, good homework habits, and excellent behavior. We aim for a safe and supportive environment across the entire day—whether it is on the playground, on the bus, in the hallways, or in the cafeteria.

Pocalla Springs aims for success by utilizing the services of a school-wide instructional coach to assist the principal in developing professional learning opportunities based on our population and needs. Opportunities include Common Core, SWEET 16 Best Practices, Student Assistance, Response to Intervention, Data Analysis Teams, and Positive Behavior Intervention and Supports. Volunteers, academic tutors, and a behavioral specialist work with students on initiatives to support lifelong learning, citizenship, self-control, and self-discipline.

Pocalla Springs aims for success by contributing to and caring for the community. Service Learning initiatives include Shower Shaw with Cookies, Stuff-a-Bus, Canned Food Drive, Career Fair, and other projects to beautify the environment and raise awareness. Our philanthropic effort has been mainly geared toward the American Heart Association and Relay for Life, but we have also made significant donations to St. Jude Children's Research Hospital and Jump Rope for Heart.

Thank you for working with us and for giving us the opportunity to serve your child.

Kelly Jordan, Chairman  
School Improvement Council

Dr. Laura M. Brown, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.
