**Report of Principal and School Improvement Council**

The focus of the faculty, staff, administration, and parent organizations at Griggs Road Elementary School is to provide a quality education for all children. Through dedication and hard work, Griggs Road has received the Palmetto Gold Award from the South Carolina Education Oversight Committee for Academic Achievement for the fourth consecutive year. Our school also received the Closing the Achievement Gap Award for the third consecutive year.

Griggs Road instituted an after school tutoring program to promote student achievement. Students in kindergarten through fifth grade were provided opportunities to have academic support in small group settings. Over 150 students were given this specialized instruction during a five month period this school year.

Griggs Road encourages students to be good citizens by emphasizing co-curricular activities such as service learning and character education. Students were able to participate in the following clubs: Clay Club, Physical Education/Cup Stacking Club, Geocaching Club, Girls on the Run Program, Let Me Run, Chorus, and Be a Fan Club.

Parent involvement is important to the culture of Griggs Road. Our School Improvement Council (SIC) and PTO contribute their time and talents to many projects/activities at our school. Parents work diligently to raise funds in order to provide our students with technology upgrades. The PTO fundraiser for the 2012-2013 school year provided classrooms with IPADs and funds to support this technology throughout the school year.

Parents and community members are a vital part of our school. Griggs Road strives to make our parents and community volunteers feel welcome and appreciated. Academic excellence is our primary goal at Griggs Road. Our school staff strives to maintain a quality education for all our students in a safe, nurturing, and healthy environment. This goal is achieved through the efforts of our faculty, staff, parents and students.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
