## Report of Principal and School Improvement Council

LCCPA utilizes a research-based artistic model in conjunction with the academic curriculum to address the needs of the whole child. The school provides strong character development lessons for both students and their parents/guardians through our family University series. Through our Family University we offer classes that give parents an opportunity to learn how to help their children with academic needs in all core areas. One example includes our Reading and Math Parent Conference and our Parent Student Northeastern and Southeastern College Tours. We also provide students with standardized lessons in core curriculum courses such as math, science, social studies, and English using the arts to motivate students to complete the assignments. Because we cater to the whole child, each student has an opportunity to receive free tutoring during our extended school day.

Additionally, students at LCCPA also participate in a variety of Artistic classes like: Band, Chorus, Dance, and Theatre and Visual Arts. To this end, each student actively prepares for a minimum of two through four major artistic performances. These artistic preparations allow students to utilize a variety of academic skills that correlate to their artistic classes. These academically supportive assignments in artistic classes include reading scripts in theatre arts; reading or singing lyrics that use specific rhythms and patterns in English or a foreign language, and learning how to use geometry, geography skills and fractions that relate to math (1/2 note, quarter notes etc.), social studies. Some other accomplishments and opportunities include:

- Honors Classes- Advancement Via Individual Determination (A.V.I.D.) Program)
- Opportunities to participate in all sports
- Computer Repair Classes
- Band, Chorus, Dance, Theatre, and Visual Arts Classes Performances
- 2013 National History Day State Champions
- 2nd Place Sandhills Regional Science Fair Winners

At LCCPA we realize that some students need additional supports in the form of more time on tasks. These supports were incorporated in the extended school day program which begins at 8:00AM and ends at 4PM. Also, during this time students receive additional supports in the form of small group individualized tutoring and intervention classes titled Performing at Higher Levels Systematically (PALS). These built in classes take place at the end of the day to assist students by giving teachers additional time to review strategies and skills that may take longer for students to learn, or for test prep practice. Advance students use this time to extend their knowledge and practice in a specific artistic course that the student selects.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>80.0</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
